January 30, 2018

The Kansas Association for Court Management (KACM) invites you to our **2018 Fall Conference: September 27-28, 2018 at the Overland Park Marriott**. Attendees of this conference include municipal court and police enforcement professionals from cities throughout the State of Kansas.

While our conference has many features that lead to a successful meeting, one of the most important components is the exhibition by firms that offer new technology and products that enable municipal agencies the opportunity to be more responsive to the public. Since your company offers such a product, KACM would like to extend an invitation for you to exhibit at our conference. An **exhibit application will be sent in April**, but I want to provide enough lead time for you to get this on your calendars as they fill up for 2018.

There will be booth space available near the conference meeting room and we work hard to facilitate as much interaction with attendees as possible. The exhibition fee will be based on actual costs that are still being finalized; as a preliminary estimate, they are typically about \$150. The exhibit fee includes your booth space, covered 6' table, and chairs.

KACM will provide one exhibitor per company with breakfast, lunch, and dinner on Thursday, Sept 27th, and breakfast on Friday, Sept 28th. Meals for any additional representatives may be purchased through the exhibit application. You will be invited to join us in our Hospitality Suite both Wednesday and Thursday evening (Sept 26 & 27). This is a great time to meet clerks and connect with them on a personal level.

Vendors will be responsible for making their own hotel reservations. The Marriott Kansas City Overland Park is large so there will be plenty of rooms for everyone this year. The block rate of \$99/night is available until Sept 1st. Their contact information is:

The conference begins at 8:00 a.m. on Thursday, at which time you will have the opportunity to introduce yourselves to attendees with a snippet about your product/company. The conference will conclude at approximately 11:45 am on Friday.
