The Presidents Corner

You know, I've never written a "President's Corner" message before; so don't start in with a lot of high expectations! I must begin by expressing my hearty thanks to ALL of the committees and KACM members who pitched in to help make this a very memorable conference. Our mission was to make sure that Polly would be proud of us. From the remarks on the evaluation sheets, I think we accomplished our goal. We were not without our issues, but overall, I believe the conference was successful. There were 131 registrations for this conference. I believe that's a record for a fall conference. Way to go!

Conference planning is a lot like planning a wedding. Once we find a location that will house the attendees and have space for all of the activities, we must plan for food, speakers and entertainment. I have to say that finding quality speakers is probably the toughest task. It's always difficult to gauge whether someone will be a good presenter when no one has seen the presentation. For example, the evaluations were not overwhelmingly good for Donna Beaudet. Her scores ranged all over the board. Some thought she was very good, while others thought she had good material but could have trimmed the presentation down some, and others didn't like her at all. On the other hand, Tim Holsinger, who really was the third choice on the list, was a big hit. I didn't get any negative comments about him at all. Susan and Harry, from the motor vehicle department, were well received also. Everyone always likes their stuff. The

idea of getting our questions to them beforehand was popular as well. I think we could probably fill up 3 hours with them, but I'm afraid they would never come back! Susan mailed me all of the questions that were on the sheets we gave them and they should be published elsewhere in this newsletter.

We also got good comments for Yoga with Flora, even though we lost quite a few people. Many of the evaluation sheets said that they could only attend for one day and even though the yoga would have been good for all of us who have stress in our lives, I understand why some didn't attend.

I composed a letter to the manager of the hotel. I'm sure he won't be happy with my remarks, but his people really fell down on the job regarding the food. That was really the only thing we took a severe hit on, but the blame was on the hotel and not the association. Our choices were acceptable, but the preparation was poor.

Well, back to that reference to weddings. I am of the opinion that if there isn't a big woops! or some sort of embarrassing moment, it's not memorable. I think our "woops" was having Mr. Holsinger thinking we expected him to share his room with Ms. Beaudet. I sure hope Tim's wife has a sense of humor!! I know Polly would have said something like "what a crack-up".

So, guess that's the down and dirty review. My deepest thanks to all who stepped up and helped out in every way. I have never worked in an organization where I've never had anyone say "no" when asked to help out! You guys are amazing!

COMMITTEE REPORTS

Courtesy – Candy Westoff (absent) Jerry Lovett-Sperling read a thank you from the family of Polly Mains for the funeral flowers. A letter from Barbara Hyman (Beloit) expressing her sympathy in regard to Polly's death was read. She suggested purchasing a gavel in memory of Polly with the inscription, "Polly Mains – Our Guiding Light."

Education – Jerry Lovett-Sperling (no report)

Historian – Doris Schoeck has placed the history books in the hospitality room. She has added several pages honoring Polly. She also said she has filled seven books and will need to purchase a new one.

Hospitality – Jeanice Rawles thanked everyone who had helped with purchasing goodies for the hospitality room.

Legislative – Phil Martin had no report other than a reminder that the fee had increased for the Law Enforcement Training.

Manual – Toni Rogers reported that Denise Kilwein had updated manuals at the registration table for each city. The committee will review the manual for corrections and updates and request input from the members if any errors or additions are needed.

Membership – Janet Mitchell – Nothing to report other than asking for members to check the membership list and make sure all the information is correct. Janet also reported that we have approximately 234 active members.

OLD BUSINESS

Janet Mitchell reported that she had had no success with her search to find a person or organization that would be willing to provide a court clerk certification program for KACM. The consensus was to not pursue the idea any further.

Review and revision of the by-laws were discussed. As a result of previous discussion at the June board meeting, it was decided that some changes are necessary. A committee will be selected to do the review and prepare a proposal for the spring board meeting. The final vote on proposed revisions will be at the fall meeting in September 2003.

NEW BUSINESS

The next agenda item was discussion of retirees. Home addresses will be used for mailings, as the retirees are not receiving KACM information from their former employers. There were no minutes as of yet from the Business Meeting since it took place the afternoon prior, September 19, 2002. Karen Daniels will get those to Bettina Jamerson.

Jerry Lovett-Sperling asked if there were any correspondence, there were none.

COMMITTEE REPORTS

- **Ambassador** – Sherri Adams reported that 87 pins had been placed in the Kansas map designating where members were from, even though we had 127 members present, this could be an accurate representation since some cities sent more than one representative. Received positive comments about lunch seating assignments.
- **Courtesy** – Gloria McBee – absent.
- **Education** – Janet Mitchell. Four new members have volunteered to be on the committee.
- **Historian** – Doris Schoeck said she used almost four rolls of film. The seventh book is almost filled so she will probably purchase a new book.
- **Hospitality** – Janiece Rawles. Hospitality committee was commended for the great food and a job well done.

(Continued on page 7)

(Continued from page 6)

- **Promo/Sales** – Dee Heath and Theresa Durler agreed to co-chair the committee. Three additional people signed up to serve on the committee. Sales during the conference totaled \$1253.00. Dee brought up the idea of buying T-shirts for the Spring Conference with something funny, i.e. previous T-shirts that had court jargon. Board agreed it would be a good idea and to go ahead and purchase some.
- **Scholarship** – Bettina Jamerson. Sales from the Silent Auction totaled \$341.00. She needs to contact Barb McGuire who bid and won two items but left before she could get them. That would bring the total to \$351.00.

OLD BUSINESS

By-laws – Jerry will put together a group to review the by-laws and bring their update suggestions to the Spring Conference.

It was also brought up whether we should review and update the packet that goes out to new clerks with committee information, Articles of Inc, etc. Janet offered to mail it out to everyone for review before the January meeting.

Jane Eilers asked if she could purchase a carrying case for the projector. Leslie Felts made a motion for the Treasurer to purchase a case for the projector. Janet Mitchell seconded the motion. Motion carried.

Food at the conference was not well received, complaints of food being cold and meat being tough. Jerry Lovett-Sperling will write a letter to Robert the manager of the Ramada Inn.

Next Board Meeting will be held at Kathy’s Kitchen, El Dorado, January 17th at 10:00 am. Committee meetings first and then Board Meeting.

Janet Mitchell suggested reimbursing Dee Heath for her conference registration, hotel room and mileage because Dee worked the Promo/Sales table at the conference and her city does not pay for any of those items for her at the conference. Rod Edmondson made a motion to reimburse Dee Heath for her conference registration, hotel room and mileage. Janet Mitchell seconded the motion. Motion carried.

Janet Mitchell advised the deposit for the Overland Park Convention Center is \$1000 and the hotel deposit is \$2000. Those amounts will need to be paid when she signs the contract in the near future.

Janet Mitchell made a motion to adjourn. Rod Edmondson seconded the motion. The meeting adjourned at 1:05 pm.

QUESTIONS FROM THE MOTOR VEHICLE DEPARTMENT
(These are questions ask by the clerks at the fall conference in Emporia)

Is there a current list of moving violations? **KAR 92-52-9 and also in the court clerk manual.**

If we are unable to locate the original copy of a citation, can we make a copy of the officer's citation to prosecute the offender? **Yes, and send the abstract of conviction to the Motor Vehicle Department.**

How long does it take the State to process cases of underage driving – especially the drivers licenses when they are sent in to the State? **7 – 10 business days**

What if a Drivers License is lost by the State? **Obtain a duplicate at the defendant's expense.**

Should we send in DL's when we suspend DL's for 30 – 60 days? **Yes**

When we suspend DL's can we suspend from date to date? instead of for say 30 days or 90 days? **No.**

Is the State suspending on No Drivers License? **See KAR 92-52-9a** *Is No Drivers License a moving violation?* **No.**

If someone comes in & pays off fines and reinstatement fee & the court mails in the reinstatement form to the State, is it okay to tell them it will take 10 days to 2 weeks for the state to get them reinstated? **We tell them 10 days from the date it was mailed.**

If someone is suspended on a Kansas DL but tells us they have a valid DL in 2 other states, should we get the name of the person and let the State know? **Yes, send the information in writing please.**

What is the procedure for suspension on gas drive offs? **1st – record on DL; 2nd 90 day suspension; 3rd – 1 yr suspension.**

Is the State ever worried about the amount that courts charge for fines & costs? **No.**

When a person wants to "walk" their reinstatement through, how would you like that handled since our agency has the reinstatement papers? **Give them a receipt with the case #, paid in full (this should include the reinstatement fee being paid).**

On abstracts that we send (if the defendant is found guilty after failing to successfully complete their diversion, why do we get them back asking if their diversion has been revoked when we have already stated their guilt in the abstract? **If a defendant has failed to successfully complete a diversion for a dui, send in an amended abstract using the term "revoked" or "diversion terminated".**

When is the correct time to send in the abstract of conviction? **You are required to send in abstracts within 10 days.**

DUI diversion contracts, do you want a copy of the contract sent to the MVD? **No, just use the abstract of conviction. [The KBI needs a copy of the contract.]**

Is there ever going to be a time that court clerks will be able to access the driving records on file with the State via internet? If this is available, how do we go about setting this up? **You can contact www.accesskansas.org**

From the time a suspension form is sent in, how long does it take to appear on the certified driving record? **7 – 10 business days.**

How does the State justify accepting \$50.00 reinstatement fees and not reinstating the DL because the charge doesn't match? The only way we usually find that there is a problem is the defendant calls to say he has been arrested for driving with a suspended license. Make sure the case # on the reinstatement form is the same as on the original suspension that was sent in by the court. We are to accept the reinstatement order if cases match up. If you have any problem with this or anything else, call Susan 785-

(Continued on page 9)

(Continued from page 8)

296-3613, Marcy 785-296-3829, or Harry 785-296-6829.

How long do traffic violations stay on your driving record? **Minor offenses – 3 years; Major offenses – 5 years; DUI's life.**

Is there a limit to the amount of citations a person can receive before they lose driving privileges?

3 major offenses within 5 years = 3 year revocation.

3 minor moving violations = warning letter

4 minor moving violations = 30 day restriction

5 minor moving violations = 90 day suspension

6 minor moving violations = 1 year suspension

Is there Internet or email capability for submitting abstracts? **No**

Defendant was charged or cited for Driving While Suspended. Charge was reduced to No DL on Person. Defendant did not pay costs assessed and has not responded to 30 day notice. Will you suspend the license for No DL on Person? **Submit on FTA form (DC-24-a) after you have given them 30-day notice from court.**

Does a Transporting an Open Container conviction go against a persons driving record? **Yes – can be suspended or restricted if ordered by the court.**

Can suspensions be sent into the State by Internet or tape? **No. Tickets can be sent in by tape.**

A person is driving another person's vehicle, which is not insured by the owner. However, the driver carries his own insurance, which is to cover not only his personal vehicle, but also any other vehicle he may be driving. The defendant comes into court has shows proof of insurance on his personal vehicle. The Judge accepts this proof and stays the charge. A DC-66 is sent to the state with his policy information. How do we insure his insurance company verifies rather than rejects coverage since his vehicle coverage is different than what the officer wrote on the DC-66? Do we need a letter of affidavit from his insurance company? What is the motor vehicle department's stance on this? **The insurance company will reject & deny. Send back to us (MVD). We will initiate a letter – the driver will need to have their insurance agent verify. They have 30 days to get verification to us prior to suspension.**
