## THE PRESIDENT'S CORNER

By Bettina Jamerson

Well, here I sit at work at 6:45 p.m. on a Thursday night, more than ready to go home. But I've been working on my annual ADSAP reports for my two cities to get sent in before the January 20th deadline (one down, one to go). And I'm putting the final touches on the paperwork for our Board meeting tomorrow in Wichita (one less day to work on my ADSAP report). I am hoping for an extension on the ADSAP report until the 22nd, since the 20th falls on a Sunday and the 21st is the King Holiday. It always seems these reports sneak up on you!

Well, life has been quite busy and our office has yet to box up our 2007 tickets and files. And I have yet to get all of my Christmas decorations put away at home. But we continue to plug along with the work at hand, definite job security. Our "customers" never stop amazing me with their stories, excuses, complaints and lack of accountability. My office has begun to keep a journal of the really good excuses and such, and I think my favorite is still the lady who was cited for speeding. She told us, "I wasn't speeding, I was delayed in braking"!

You'll soon be receiving your packets for the Spring Conference, which will be held in Hutchinson at the Grand Prairie Hotel, April 3rd and 4th. Remember the state pays for one clerk from every city to attend the Friday session and for new clerks, the state pays for both Thursday and Friday. Both include mileage, meals and room.

The Fall Conference will be in Junction City at the Courtyard by Marriott September 18th and 19th, so make sure you have that on your calendar. Hope all is well with everyone and we will see you in April.

Bettina Jamerson

## EDUCATION COMMITTEE NEWS

**Fall conference** is getting closer every month. It will be in Junction City at the Courtyard by Marriott. New this year is Early Bird Registration, which reduces the registration fee for those early-birds who register before August 18<sup>th</sup>! Registering early is also extremely helpful to the KACM planning committees. Watch for your registration form, which will be sent in the April Newsletter and will be available at [www.ksmunicipalcourts.com](http://www.ksmunicipalcourts.com); we may also experiment with registration via email, if technology cooperates. Be sure you register early to save some bucks and make your hotel reservations by that day.

Now, get ready for our main speaker, Linda Greep, "The Lady in Red."

**Spring Conference Reminder:** Spring Conference is April 3 & 4, 2008 at the Grand Prairie Hotel in Hutchinson.

Only those who have not had 2 years of training can attend the April 3 training of new clerks. April 4<sup>th</sup> will be the conference for everyone.

**Most Ridiculous British Laws** – Imagine your municipal court prosecuting some of these laws. According to Yahoo News, the following are actual laws in Britain:

1. It is illegal to die in the Houses of Parliament.
2. It is an act of treason to place a postage stamp bearing the British monarch upside-down
3. In Liverpool, it is illegal for a woman to be topless except as a clerk in a tropical fish store
4. Mince pies cannot be eaten on Christmas Day
5. In Scotland, if someone knocks on your door and requires the use of your toilet, you must let them enter
6. A pregnant woman can legally relieve herself anywhere she wants, including in a policeman's helmet
7. The head of any dead whale found on the British coast automatically becomes the property of the king, and the tail of the queen
8. It is illegal to avoid telling the tax man anything you do not want him to know, but legal not to tell him information you do not mind him knowing
9. It is illegal to enter the Houses of Parliament in a suit of armour.
10. In the city of York it is legal to murder a Scotsman within the ancient city walls, but only if he is carrying a bow and arrow.

**Tough on Crime** - Scott Masters, 41, faced a potential 30-year sentence for shoplifting a doughnut in a Farmington, Mo., convenience store in September because, as he exited the store, he pushed a worker aside. Prosecutors said that "assault" made the crime a "strong-arm robbery" (but in December, a judge decided 90 days in jail was more appropriate). [St. Louis Post-Dispatch, 10-7-07]

**Wanted, Stupid or Alive?** The 44-year-old man who allegedly skipped out on a court appearance in April in Vernon, British Columbia, in connection with marijuana-growing was arrested in December in Mission, British Columbia, when he applied for a job at the county jail. [Chilliwack Times, 12-21-07]

#### **CIRCUMSTANTIAL EVIDENCE CAN SUPPORT MIP CONVICTION:**

In *State v. Beard*, Slip Copy, unpublished, 2007 WL 3275917 (Kan. App. November 2, 2007): "Even a conviction for the gravest offense can be supported by circumstantial evidence...circumstantial evidence is evidence of events or circumstances from which a reasonable factfinder may infer the existence of material fact at issue." **COURTROOM HUMOR** – These exchanges are to have been recorded in the courtroom:

ATTORNEY: What gear were you in at the moment of the impact?

WITNESS: Gucci sweats and Reeboks.

ATTORNEY: This myasthenia gravis, does it affect your memory at all?

WITNESS: Yes.

ATTORNEY: And in what way does it affect your memory?

WITNESS: I forget.

ATTORNEY: You forget? Can you give us an example of something you forgot?

ATTORNEY: What was the first thing your husband said to you that morning?

WITNESS: He said, "Where am I, Cathy?"

ATTORNEY: And why did that upset you?

WITNESS: My name is Susan!

ATTORNEY: Do you know if your daughter has ever been involved in voodoo?

WITNESS: We both do.

ATTORNEY: Voodoo?

WITNESS: We do.

ATTORNEY: You do?

WITNESS: Yes, voodoo.

ATTORNEY: Now doctor, isn't it true that when a person dies in his sleep, he doesn't know about it until the next morning?

WITNESS: Did you actually pass the bar exam?

ATTORNEY: The youngest son, the twenty-year-old, how old is he?

WITNESS: Uh, maybe you like twenty-one better?

ATTORNEY: Were you present when your picture was taken?

WITNESS: Duh

ATTORNEY: How was your first marriage terminated?

WITNESS: By death.

ATTORNEY: And by whose death was it terminated?

WITNESS: Now whose death do you suppose terminated it?

ATTORNEY: Can you describe the individual?

WITNESS: He was about medium height and had a beard.

ATTORNEY: Was this a male or a female?

WITNESS: Guess.

ATTORNEY: Is your appearance here this morning pursuant to a deposition notice which I sent to your attorney?

WITNESS: No, this is how I dress when I go to work.

ATTORNEY: Doctor, how many of your autopsies have you performed on dead people?

WITNESS: All my autopsies are performed on dead people.

ATTORNEY: ALL your responses MUST be oral, OK? What school did you go to?

WITNESS: Oral.

ATTORNEY: Do you recall the time that you examined the body?

WITNESS: The autopsy started around 8:30 p.m.

ATTORNEY: And Mr. Denton was dead at the time?

WITNESS: No, he was sitting on the table wondering why I was doing an autopsy on him!

And the best for last:

ATTORNEY: Doctor, before you performed the autopsy, did you check for a pulse?

WITNESS: No.

ATTORNEY: Did you check for blood pressure?

WITNESS: No.

ATTORNEY: Did you check for breathing?

WITNESS: No.

ATTORNEY: So, then it is possible that the patient was alive when you began the autopsy?

WITNESS: No.

ATTORNEY: How can you be so sure, Doctor?

WITNESS: Because his brain was sitting on my desk in a jar.

ATTORNEY: I see, but could the patient have still been alive, nevertheless?

WITNESS: Yes, it is possible that he could have been alive and practicing law.

**KANSAS ASSOCIATION FOR COURT MANAGEMENT**  
**Board of Directors Meeting**  
*January 19, 2008*

The K.A.C.M. Board of Director's meeting was held Friday, January 18, 2008 at Old Town Martini's Steak House in Wichita Kansas. President, Bettina Jamerson (Prairie Village) called the meeting to order.

Roll call was taken and the following officers, board members, and members were present: President, Bettina Jamerson (Prairie Village), Vice-President, Jeannine Hoheisel (Hesston), Board of Trustees, Theresa Durler (Dodge City), Candace Westhoff (Girard), Evelyn Thomas (Topeka), Alternate Trustee Adela Diaz (Prairie Village), Members Linda Engel (Oakley), Greg Nickel (Newton), Barb Nelson (Ottawa), Rod Edmondson (Baxter Springs).

Absent were: Secretary, Barb Inselman (Lenexa), Treasurer, Kristi Orbin (Shawnee), Sgt. At Arms, Rick Voisin (Towanda), Sherri Adams (Pittsburg), Janeice Rawles (Edgerton), Amy Spittler (Hutchinson), and Diane Clay (Fort Scott).

There not being a quorum present no business was done and the following was discussed.

Additions to Agenda – None

**MINUTES AND TREASURER REPORT**

The minutes from the Annual meeting on September 20, 2007 and the board meeting on September 21, 2007 were not approved since a quorum was not present.

Treasurer Report – Kristi Orbin (Shawnee) - There is a balance of \$9,968.50.

**CORRESPONDENCE**

A thank you card was presented from Glenda Herring on the death of her husband for the flowers in a tea cup.

**COMMITTEE REPORTS**

**Ambassador** – Debra Metzger (Lyons) – Still needs an ambassador for Region 1 & 6. If you are interested in doing this either contact Bettina or Debra Metzger.

**Courtesy** – Barb Nelson (Ottawa) – She appreciates everyone getting her information so she can send cards or flowers. Sherri Adams (Pittsburg) aunt passed this week.

**Education** – Jeannine Hoheisel (Hesston) – There will be an education committee meeting after the board meeting today. We will decide what the entertainment will be Thursday night. The fall conference is in Junction City at the Courtyard by Marriott September 18 & 19, 2008. Early registration will be discounted if registered by August 18, 2008.

**Hospitality** – Traci Dockery (Basehor) - None.

**Legislative** – Sheila Hopkins (Prairie Village) – None.

**Membership** – Rod Edmondson (Baxter Springs) - We need a new chairman of this committee by Spring Conference, April 3 & 4, 2008. Discussion was held on making this a paid position. It can be time consuming around membership renewal time and Fall Conference. But it is so much better than years past and more organized since Rod has been in the position and has organized/updated spreadsheets and procedures, plus he has had a great committee to assist him.

With things headed in the direction of being a paperless society, we discussed the renewal form being on the website and members going there to get their renewal form along with the mention of it being there in the newsletter. All members need to check the membership list on the website to make sure their information is correct. This information is important to many in the association who rely on that information for emails, correspondences, etc.

**Newsletter** – Greg Nickel (Newton) – There will be an article in the newsletter about our need for a Membership Chairperson in the newsletter. The newsletter chairperson and the membership chairperson rely on each other for correct information for newsletters to get to the members and other correspondence. Greg is going to start a new section in the newsletter when new members join KACM.

**Promotion/Sales** – Amy Spitler (Hutchinson) – Always looking for new ideas for promotional items.

**Scholarship** – Candy Westhoff (Girard) – The balance in the scholarship account is \$1,146.60.

**Manual** – Toni Rogers (Haysville) – None.

**Past Presidents Committee** (Sherri Adams (Pittsburg) – None.

**Historian** – Candy Westhoff (Girard) - She is working on putting the 2007 fall conference pictures on the website.

### OLD BUSINESS

**Spring Registration** – Discussion was held on the way the State does registration at the Spring conference. With the fact being that the members have to pay for their conference, then wait for the state to reimburse them. Jeannine is to contact Denise Kilwein to see if there are other options.

**Picture Directory** – Plans are being made to take pictures of the board and committee members at the Spring Conference and putting them on the website; and then working on a picture directory of the entire association. Candy's plan is to take pictures at the conference.

**Court Clerk Certification** – Barb Inselman has not had a chance to research the old KACM minutes on discussion of clerk certification.

### NEW BUSINESS

Discussion was held on how long do you need to keep record requests from courts, armed forces, etc. The consensus was that there was no set time. Most kept them for a year, then threw them away when the new year starts, some keep a dissemination log so they dispose of them right after they are sent.

### **Less than Brilliant Bank Robbers**

1. Arthur Cheney, 64, was arrested near Marysville, Calif., in December driving a car that had been spotted at a bank robbery. On the center console of the car, officers found a yellow "sticky" note with a handwritten "Robbery 100s and 50s only." Said an officer, "We call that a clue." [Marin Independent Journal, 12-12-07]
2. And Orlando Taylor, 26, was arrested walking in the door of a Bank of America in New York City in December. Police suspected he was up to no good because he had a holdup note in his pocket (and an employee identified him from a prior robbery). [New York Post, 12-19-07]

## **Expunge an Arrest?**

Article by Greg Nickel

Our court recently received a petition to expunge an arrest on an incident where no charges were filed by the prosecutor. We had never seen this type of expungement and, if this is unfamiliar to other courts as well, perhaps a brief summary of this process will be useful.

K.S.A 12-4516a states “any person who has been arrested on a violation of a city ordinance of this state may petition the court for the expungement of such arrest record.” Notice first that “12-4516a” is different than “12-4516” subsection (a) – anyone searching the online statutes will find two different results by typing in “12-4516” vs. “12-4516a”. Much of the process for expunging an arrest is identical to that of expunging a conviction. The required elements on the Petition and Order vary only slightly - most notably, the order shall state the grounds for the expungement under subsection (c), the stated options include reasons such as the arrest occurred because of mistaken identity, there was no probable cause for the arrest, or no charges have been or are likely to be filed.

EXPUNGEMENT FEE - Many courts have a policy establishing an expungement fee. Problems assessing this fee for a petition to expunge an arrest could arise if the policy establishes the fee specifically for expunging a conviction or if the policy expressly references K.S.A. 12-4516 without reference to 12-4516a. This would be a decision for your Judge, but a review of your court’s policies on this might save regrets later.

## **Spring Conference Reimbursements**

The KACM board has been asking questions in hopes of finding an alternative to the current requirement that clerks pay the cost of attending the Spring conference out of their pockets first, and receive reimbursement later on down the road. Some concern has been raised that this may cause cash flow difficulties for some and be prohibitive for others.

The Office of Judicial Administration (“OJA”), who provides the reimbursement was contacted recently, however OJA's Fiscal Officer advises that the current regulations from the State of Kansas requires payment by an individual and then reimbursement will be made to that individual after receiving the original hotel receipt showing that the individual paid the room cost. The instructions on the reimbursement sheet which is received at the conference states that information. It is State mandated.

If a clerk is unable to pay for their room up front, a suggestion would be to talk to your City and see if they would front you the cash to pay for the hotel (you can call the hotel and get the exact amount) and once you are reimbursed from the state, pay back your city. You would most likely need to sign an agreement with your city of this arrangement.
