THE PRESIDENT'S CORNER

By Amy Spitler

I hope everyone is enjoying the beautiful weather we have been blessed with the last couple of weeks! I am hoping the predictions of heavy snowfall this winter do not come true!

A big thank you to Greg Nickel and the education committee for putting together a fantastic conference. All the speakers shared their knowledge with such a sense of passion, it was awesome. I felt truly blessed for having the opportunity to network with such a wide variety of professionals that affect our lives both personally and professionally.

We had a wonderful hospitality room with an awesome deck overlooking the city; thanks to Hilary and her committee for doing such a nice job. Stephanie and Asa had some great items for promotions; their hard work during the conference is very much appreciated. I won some fantastic gifts from the silent auction (proceeds that benefit the scholarship fund); thank you Kellie for heading up that committee. We heard the up and coming information about the DMV website and the changes that are happening at the DMV. I appreciate the relationship that Jessi, Michele, Lacey and Janelle are building with KACM. Leslie Moore at the KBI is up to her eyeballs in KADR information! She encouraged clerks to go to the website for information on training opportunities for the new requirements. It was fun listening to the many comments on the great time members had down on Mass Street Thursday evening, what a great idea!

Congratulations to Jeannine Hoheisel for the outstanding clerk award, she has been such an asset to KACM! I was very honored and felt blessed when Bettina gave a second outstanding clerk award in my

AMY & JEANNINE: CLERKS OF THE YEAR!!

Congratulations to Amy Spitler (left) and Jeannine Hoheisel (right) for two very well-deserved awards. This is the second time in the history of KACM that two clerks have simultaneously received this award. During their tenure as clerks and as leaders in KACM, both have contributed incredibly to our profession.

Many of us have been trained by one of these two, have referred to the Clerk's Manual that has been edited with their help, have attended conferences planned by them, and have benefited from their leadership in many other ways.

Thank you Jeannine and Amy for your faithful service!

name. This was totally unexpected and a great surprise! KACM has been such an enjoyable organization to serve!

If anyone is interested in participating on a committee that did not have the opportunity to sign up at the fall conference please email me at amy.spitler@renolec.com, we would love to have you! Being a part of this great organization very rewarding!

With the holidays just around the corner, I would like to take this opportunity to wish you all a very blessed season.

God Bless.
Amy Spitler, President

DMV News

This news came from "The DMV" just after our July newsletter was published:

As you know we recently started calling Driver Control Driver Improvement. We thought this more positively reflected what we do.

*After some contemplation over the past few weeks, and input from associates we have decided that now is the time (before people get too used to DI) to change the name to **Driver Solutions**. This includes what was previously known as Driver Control and Driver Review then for a short time Driver Improvement.*

I'm thrilled that the team is so passionate about their work and motivated to continuously make improvements.

If you have any questions please let me know. Feel free to pass this along to anyone else who might be interested.

Lisa
Director of Vehicles

Making Sense of DUI's

Many of us have become familiar with Karen Wittman at conferences – she has done a great job speaking to KACM about the complexities of the DUI laws. In her job as the Traffic Safety Resource Prosecutor, she has put together some nice information to help make sense of the DUI laws. You can find the Kansas Safety Resource Office website at www.ktsro.org. Karen's page is of specific interest to courts – it includes some great charts like the one pictured below and is located at www.ktsro.org/kansas-traffic-safety-resource-prosecutor.

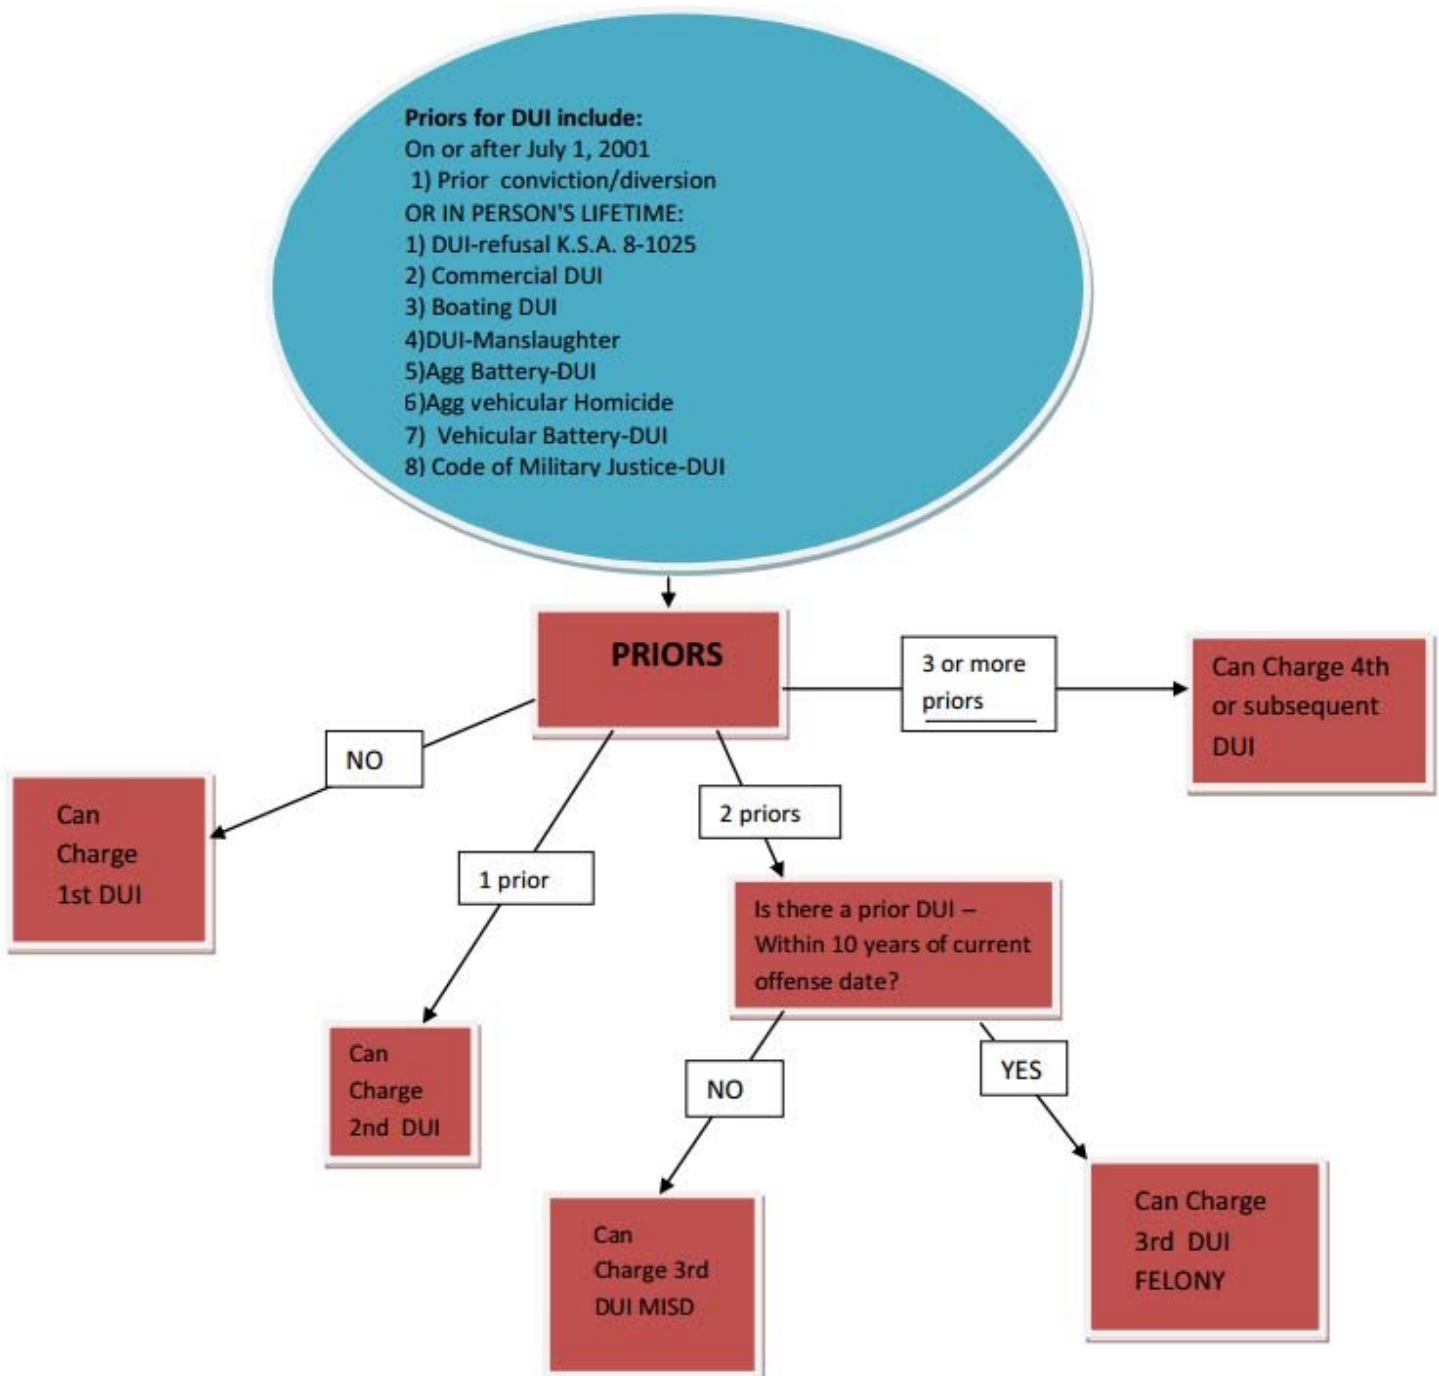

PHOTO DIRECTORY UPDATE!!

You may have noticed Candy Westhoff taking individual pictures at the conference. She is preparing to update the photo directory!

We have a lot of new faces and faces getting better with age! Keep your eye out for this in the future.

DMV Modernization Audit

The Legislative Division has conducted a post-audit of the DMV Modernization project. It assesses the project's behind-schedule status, noting that it is not complete and is significantly behind schedule. It reviews the terminated contract with 3M. It identifies several factors that contributed to the delays. It also reviews the total costs. Here is an excerpt that provides an overview:

Background Information: *In 2008, KDOR began work on the DMV Modernization Project to replace three separate older systems.*

The DMV Modernization Project will be rolled out in two phases:

- *The motor vehicle registration and titling system (Phase One) was deployed May 2012*
- *The driver's license system (Phase Two) has not been deployed yet.*

The budget for the entire DMV Modernization Project is about \$40 million. A \$4 fee on each vehicle transaction processed by county treasurers helped fund the Project.

A four-page "Highlights" report can be found at www.kslpa.org/docs/reports/h-14-010.pdf. It is informative and interesting to scan through.

Ambassador Help Wanted:

We have openings for help the ambassador committee by representing Region 2 & 3 (see map, page 10). This is a good opportunity to become more involved and connected with KACM.

Please contact Diane Clay (Fort Scott) at dclay@fscity.org.

Congratulations, Get Well Cards, Sympathy Cards...

KACM likes to congratulate people experiencing exciting life news. We also like to send cards to people when they find themselves in the hospital or in need of support.

Please email Kim Everley (McLouth) with any news for yourself or a co-worker. If we don't know about it, we can't do anything!
(clerk@cityofmclouth.org)

Facebook

Candy Westhoff (Girard) has made a facebook page for KACM! We want to make sure you have a chance to join if you haven't already. It is a private group so no one but members should be able to see our messages or photos.

To join, you will need to add Candy Carrell Westhoff as a friend or you can send her an email (candykansas@yahoo.com).

Thank you Candy!!

QUESTION: How do I get access to the electronic disposition form on the KCJIS web portal?

- If you have access to the KCJIS web portal then your TAC must give you access for “Criminal History Records Administrator”
- If you do NOT have access to the KCJIS web portal then you will need to fill out a connectivity packet called “Portal Only Access Packet.” The form is available on the KHP Launch Pad at https://cjisaudit.khp.ks.gov/launchpad/cjisdocs/files/kcjis_new_portal_only_access_packet_2014.pdf

QUESTION: How do I get access for the interface between my court records management system and KBI?

BIP Program Listings

The Attorney General's website has two official listings of BIP programs that are certified in the state. This is a great reference as there are programs in the state operating WITHOUT certification.

KADR Generic Offenses

QUESTION: A defendant was arrested and charged with two City Ordinances that have no state statute equivalent. The jail created a KADR listing an offense that was “close”. How should I record the disposition now that the person has been convicted?

ANSWER: “You can report it using one of the generic municipal/county violations below instead of the wrong state statute. I’d rather it be generic than wrong.” –Leslie Moore

Pete Rearden – A Poem for KACM

At the fall conference, Pete Rearden shared an inspirational poem that he wrote with our group in mind. Here it is, reprinted with his blessing:

If you think you are beaten ... You are.
 If you think you dare not ... You don't
 If you like to win, but think you can't ... it's almost certain you want.

If you think you are outclassed ... You are.

You have got to think high to rise
 You have got to be sure of yourself, before you win the prize

If you think you will lose ... you have lost.
For in this world you will find ... Success being in a person's will...is mostly a State of Mind.

I would like to take this opportunity to once again thank the KACM Education Committee and President Amy Spitler for all of the hard work put forth with the conference, it was awesome!

I am in the process of entering the data received from the questioner that was in the conference packets into a spreadsheet to be posted on the KACM website. There is a lot of information to enter and my goal is to have it done within the month. For those who were unable to attend the conference you will find the questioner on the KACM website. If you would like your court information entered into the spreadsheet please print the form, complete and email it to me at tdockery2@kc.rr.com.

There were a few new clerks at the conference and I would like to take a moment to mention their names

Legislative Committee Update

Gail Garrett, Chair

Since the legislature is in recess, I'm not aware of anything that's worth reporting at this time. There were a few small changes to the STO & UPOC, but they were virtually all about nothing...change a statute #, change a section title, etc.

As always, if anyone has concerns or questions about, or would just like more information on, legislative matters affecting our courts, please feel free to drop me an e-mail at garrett@lansing.ks.us.

Respectfully submitted,
Gail Garrett

Pete Rearden

Pete Rearden was our keynote speaker at the fall conference. He was full of inspirational words. A few have been reprinted in this edition of the newsletter.

The 24 Words for Success!

Think Right ... Speak Gently ...Love Much ...
Laugh Often ...

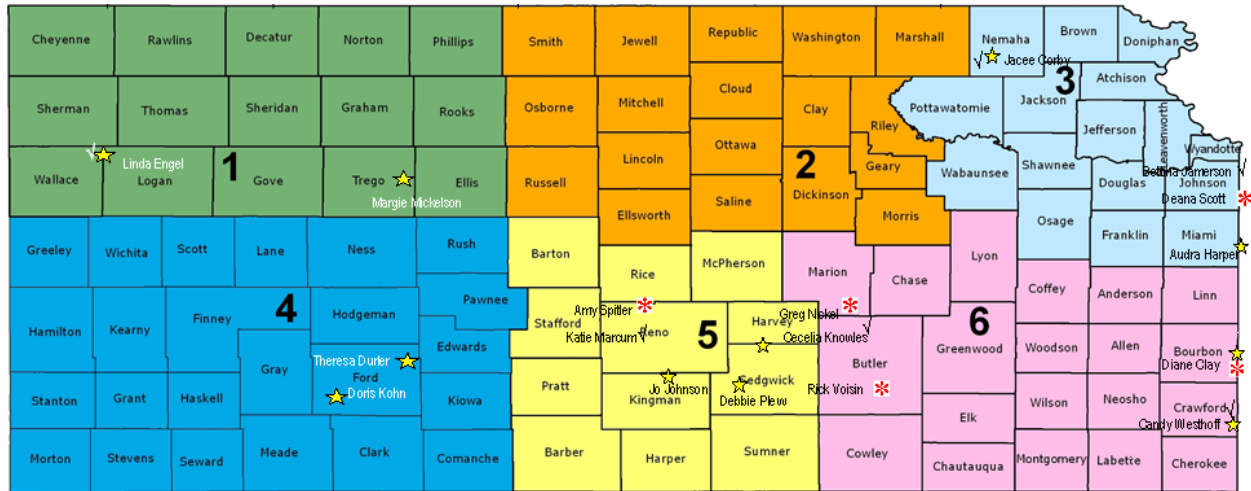

Work Hard... Give Freely ...Pay Promptly,
Pray Earnestly, Set Goals....

Pete Rearden – 40 Words that can change your life

At the fall conference, Pete inspired us with his “40 words that can change your life”:

Watch your thoughts...for they become your words
Choose your words...for they become your actions

Direct your actions...for they become your habits
Develop your habits...for they become your character
Define your character...for it becomes your destiny

It starts with your thoughts. It starts with Right Thinking

Looking for Personal News.

The only way we know what is happening is if you let us know! If you or a clerk from your city has news to share with the rest of us – we want to know. This can be **news of retirement, new babies, marriage, medical concerns...** Anything. Send an email to Greg Nickel:
gnickel@newtonkansas.com.

Thank you!

Just two small words that mean so much for acts of kindness, lending a helping hand, a smile, a touch on the shoulder, friendship and the list goes on. To the Past President's committee and the Board of Directors, thank you for selecting me for the Outstanding Court Clerk award. There is no better honor than your peers honoring you. I was truly surprised as I was expecting Amy's name at the end of the presentation.

KACM is a wonderful organization that was started by 9 municipal court clerks in 1986 who wanted every clerk to have as much training as possible to do their jobs professionally and correctly as possible. We all owe so much to those clerks. When I started in 2000, I followed along with Polly Mains who was on the board and eventually President. I would sit and listen and watch as KACM grew. Yes, there were some disagreements but they always came back to what was good of the clerks. I do believe that the more you are involved with KACM, the more you have ownership and the desire to help KACM grow in a positive direction. I encourage all of you to sign up for a committee, send in your desire to be on the board of directors, become a train to keep KACM around for you and the future municipal court clerks. You will enjoy the experience.

Thank you to everyone for their words of kindness after I received this award. You all are truly wonderful clerks and friends.

Jeannine A. Hoheisel
 Past President KACM
 Hesston Municipal Court Clerk

Best wishes to **Paula Flaming (Goessel)**, who is moving to a new chapter in life and retiring from the court clerk business. She leaves this message:

Wanted to let ya'll know that I will be parting ways with the City of Goessel soon. I have truly enjoyed working with all of you during the years and making wonderful friendships along the way. Our new city clerk Jennifer will be taking over as court clerk. Everyone have a great weekend, I will miss you!

Norma Ciskowski's retirement (Udall) was announced in July and we have received this farewell thank you:

I would like to thank everyone at KACM for the lovely flowers that were delivered to the Udall City Building for my retirement party. I have many happy memories of KACM and will miss everyone.

We took a trip to Colorado and had a wonderful time. Now the reality has set in that after a vacation I am now at home. Have a lot to do though and will keep very busy. Thanks again for the flowers.

KACM Board Meeting / Minutes

September 26, 2014 11:45 am

Oread Hotel, 1200 Oread Avenue Lawrence, Kansas 66044

CALL TO ORDER AND ROLL CALL:

The K.A.C.M. Board of Directors Meeting was held on Friday, September 26th, 2014 at the Oread Hotel meeting room in Lawrence, Kansas

The meeting was called to order by President Amy Spitler, Hutchinson.

Voting members present: Amy Spitler, Hutchinson; Greg Nickel, Newton; Diane Clay, Fort Scott; Deana Scott, Gardner; Bettina Jamerson, Shawnee; Candy Westhoff, Girard; Linda Engel, Oakley; Cecelia Knowles, Augusta; Katie Marcum, South Hutchinson; and Jacee Corby, Seneca. Absent: Rick Voisin, Towanda and Hillary Papan, Winfield

Also in attendance: Stephen Powell, Shawnee; Kim Everly, McLouth; Traci Dockery, Basehor, and Kellie Barker, Bel Aire.

There were no additions to the agenda.

There were no minutes that needed to be approved at this time.

Treasurer's Report: Deana Scott, Gardner reported that the current balance is \$25,625.31. This is the balance before most conference expenses. Discussion was held regarding making changes to the registration form so it will be clearer what attendees need to submit payment for.

There was no correspondence to report.

Committee Reports:

Ambassador – Diane Clay reported that there are still two openings for Region 2.

Courtesy – Kim Everly reported that there are two new retirements coming up soon.

Education – Greg Nickel reported that he thought the conference went well and is looking ahead to planning the next conference.

Historian – Candy Westhoff reported that she took several pictures and has about half of the membership pictures taken. She will take more at the spring conference.

Hospitality – Hillary Papan was not present. Bettina Jamerson reported that Hillary told her that the hospitality room was very busy on Wednesday night.

Legislative – Gail Garrett was not present.

Manual – OJA Education Committee Member – Bettina reported that they are working on updating the Clerk's manual.

Membership – Traci Dockery reported that there were approximately 98 attendees at the conference.

Newsletter – Greg Nickel reported that he would like items turned in for the newsletter by Friday, October 3rd.

Past President – Bettina Jamerson had no update.

Promotion/Sales – Stephanie Taylor left an update. She said that they had between \$400-\$500 in sales in shirts. She is looking at a new transfer for the spring conference.

Scholarship – Kellie Barker said that only one clerk applied for the fall conference to attend for the scholarship program.

Old Business

Update on lock box – Amy Spitler reported that she has purchased a lock box and placed the seal of the organization and the CD of minutes in the box. There are two keys with one in her desk and the other in the minute book.

Update on adding the link for the evaluation provider list to the website. – Amy Spitler informed the board that she will send the link to the provider list to Rebecca Westhoff to update the organization's website.

Update of 501c6 Status with IRS – Amy Spitler updated the Board on the organization's 501c6 status with the IRS. The organization is not in good standing as of May 15th, 2010. Discussion was held regarding paperwork that had been submitted earlier by Kristi and paperwork submitted by Stephen. Amy Spitler has been in contact with a tax attorney to seek guidance. There have been no fees incurred at this point in time.

Jaycee Corby moved to authorize Amy Spitler up to \$500.00 to spend to contact a tax attorney or accountant to determine how to proceed with the 501c6 status. Candy Westhoff seconded. All voted aye.

New Business:

The next K.A.C.M. Board Meeting will be held in Wichita on January 16th, 2015 at a location to be announced.

Adjournment:

Jaycee Corby moved to adjourn the K.A.C.M. Board Meeting at 1:10 p.m. Cecilia Knowles seconded. All voted aye. Meeting adjourned.

Respectfully submitted,
Diane K. Clay, Secretary, K.A.C.M. (Fort Scott)

Spotlight on Legal Terminology

TORT /tôrt/

Torts are civil wrongs recognized by law as grounds for a lawsuit.

An injury or wrong committed on the person or property of another. A tort is an infringement on the rights of an individual, but not founded on a contract. The most common tort action is a suit for damages sustained in an automobile accident.

Side-note: Kansas municipal courts don't handle civil lawsuits but the term appears in conversation from time to time.

DMV Panel Answers

We were very grateful to the DMV for the time they spent answering our questions at the conference. Here are their answers, which they have graciously printed for us to use as reference.

The Panel, left to right:
Lacey Simmons, Jessi Ross, Janelle Robinson, & Michelle Chavez

- 1) Explain 999's – Are these violations recorded on the driving record? If they are not recorded on the driving record, what is the need for submitting the conviction?
 - a. 999's are not recorded on the driving record. Any infraction is required, per K.S.A. 8-2106, to be submitted to our office. In K.S.A. 8-2106 there is also a more detailed list and what is considered a minor violation.
- 2) When it is mandated to keep a DL, should the confiscated DL's be sent to Topeka or disposed of on-site?
 - a. DL's must be sent to Topeka especially for:
 - i. DUI's K.S.A. 8-1567
 - ii. VR2's K.S.A. 8-262
- 3) Explain the generated DL (purpose, how it is used, locating certified records, reporting to KDOR, what privileges does a person with a generated DL have pertaining to driving, etc.)
 - a. Generated records are created so we can track drivers who have had infractions in Kansas.
 - b. It is used so that other states can see infractions by all states on the National Registry.

- c. KDOR can locate generated files by name and date of birth for certified records and reporting purposes.
 - d. Generated records do not give customers any driving privileges.
- 4) Where is there a list of NRVC violations?
 - a. You can find the list of violations on <http://www.aamva.org/Drivers-License-Compacts/> under the Driver's License Compact, page 2.
- 5) Lacey said that "anything 'non-moving' will NOT be put on the driving record. Some minors are 'moving' and some are 'non-moving'". Why would minors be reported to the DMV if they're not reported on the driving record?
 - a. This is also in K.S.A. 8-2106 that any infractions are required to be submitted to our office.
 - b. We keep a count of everything received for internal records.
 - c. Out of state drivers must be sent to Topeka so we can send it on to their licensing state.
- 6) What general advice or tips would you offer to new court clerks?
 - a. Don't believe everything you hear about our department
 - b. Register on court portal
 - c. Visit the court website often for updates and changes
 - d. Request a tour of our department
- 7) How does an accident get on your driver's license when no citation has been issued?
 - a. Kansas is a mandatory reporting state with "no fault" being established. Any accident that has damages \$1000 (officers visual estimate at the time of the accident) or greater or with injuries is reported on a long form accident report.
 - b. An officer can report an accident if they believe the insurance is questionable.
 - c. KDOT records the AC4 accident onto the driving record.
 - d. For the administrative action, our office receives either an Insurance Verification Form (DC66) from the Law Enforcement Agency or a complaint of damages from the other party or their insurance company.
- 8) On the certified driving record display page, we have address history, license history and convictions/sanctions – What do the license history and the codes mean? How does that affect courts or our jobs as clerks?
 - a. These codes do not apply to court clerks.
 - b. They do not affect the courts or the clerks' jobs.
- 9) If an individual wants to drive to Topeka to speed up the reinstatement process, what should they bring with them?
 - a. That depends on what they are suspended on.
 - i. If it's just an unpaid ticket we need something stating paid in full, balance \$0, etc – with the citation number and signed by the court.
 - ii. Use the court portal to check for other suspensions other than the ticket from your court.
- 10) Can you talk about CDL masking? Is there an official definition what constitutes "masking" as it applies to CDL drivers? Is it acceptable to dismiss CDL tickets? To amend to a lesser offense? To amend speeding from 14 over to 4 over? To divert? Can you talk about this in the context of AG 2003-32.

- a. See § 384.226: Prohibition on masking convictions. For reference, check the Federal Motor Carrier Safety Administration (FMCSA) website:
<http://www.fmcsa.dot.gov/regulations/title49/section/384.226>

11) Chemical Test Refusal (A12) and Texting While Driving (M85) are both listed on the “Driving Record Codes” reference sheet you distributed at the Spring Conference but are NOT listed in the compiled.doc online. When will the online info be updated? Also, are these suspend-able violations? (they are not listed as suspend-able online)

- a. We are working on the update but at this time it is not a high priority.
- b. They are suspend-able.

12) There was a plan to combine the major/minor conviction files into a single transmission. What is the status of this? Below is an excerpt from an email sent from the Kansas DMV Modernization Project on 12/6/11.

“Previously, minor and major convictions were handled in two record layouts. That will change. The Conviction Codes/Descriptions document shows both major and minor convictions in a combined layout with columns that list the violation, the old and new codes, the Kansas statute and the standard traffic ordinance.”

“Changes need to be complete by February 1, 2012, so we have time to test the updated codes and layouts before we launch the new DMV System.”

- a. Now that KDOR has concluded our contract with 3M we are working to evaluate our procedures and are formulating a plan moving forward. At this time there is not a go-live date.

13) On the Insurance Verification Form that is mailed to defendant’s notifying them that they need to provide proof of insurance (via their insurance agency) or their license will be suspended, can you add verbiage to the form stating this is a state requirement and does not forego their court responsibility?

- a. We are working on making a list of violations in which the state and court impose actions on.
- b. Once we have completed this we will create a generic letter and get them to each court to hand out whenever you are taking action on one of the violations on the list.
- c. It will come in a pack similar to the Insurance Verification Forms.

14) A conviction for Chemical Test Refusal on a MO driver was submitted. (He has a DUI conviction) We received a reject message on this abstract: “We cannot process a Chemical Test Refusal conviction without there being a prior occurrence on the driving record.” The court clerk contacted Topeka for more information and explained the DUI conviction on his MO DL. She was advised to submit it as a DUI conviction. How do we get this on his record without reporting an incorrect abstract? Can we fax a copy of our Journal Entry and include the DUI conviction details?

- a. It is really case by case.

15) Is there any chance that the certified DL available online will someday include an imaged copy of notices sent? (Right now the certified record merely includes the statement: “*I further attest that any notice of action taken was sent on the date listed and was mailed to the licensee at the last known mailing address...*”). An electronic copy of each letter sent would be very much preferred by some prosecutors and judges.

- a. We did a demonstration of the portal with images at the conference.
- b. The images are now on the portal and should be working!

Our Goals Find out more about KACM on our website at www.ksmunicipalcourts.com, which includes a listing of our goals as follows:

- Continuing education for Court Managers, Clerks, Administrators, and Assistants
- Interaction between members with problem-solving ideas
- Organization input into Legislation that will affect Municipal Courts
- An organized voice to State agencies
- Consistency within the Municipal Courts
- Promoting public trust and confidence
